Experience

Graphic Designer

freelance | Paris and Tel Aviv

- Applied user-centric design principles to create functional and appealing designs that help small business owners convey their core values effectively to their target audience.
- Employed visual communication expertise to design impactful materials that effectively conveyed messages, resulting in clear and compelling user experiences.
- Developed a client questionnaire to address challenges posed by clients new to business ownership, resulting in clarity on essential concepts like target customers, competitors, and unique market offerings.
- Conducted research and analysis to understand clients' target audiences, industry trends, and competitors, enabling the creation of designs that resonated with users and aligned with business goals.

05/2016 — present

Conceptual Artist

freelance | New York, Paris, Tel Aviv

- Applied research, critical analysis and problem-solving skills to address complex theoretical questions in the world of contemporary art, resulting in thoughtful and original works.
- Actively engaged with diverse teams in the creation of projects, using effective communication and a collaborative mindset to meet deadlines and produce artwork across disciplines.
- Honed skills in giving and receiving critique effectively in order to maintain a spirit of continuous improvement, leading to artworks that are accessible for a wide audience while maintaining a rigorous critical standard.

05/2008 — present

English Trainer

freelance | Paris

- Empathized with the needs and goals of adult learners via assessment and multidirectional feedback sessions, resulting in student-centered language workshops that fostered engagement and faster skills acquisition.
- Reconciled learner needs with employer objectives by tailoring teaching strategies and materials, leading to higher test scores and improved professional performance.
- Employed communication and collaboration skills to coordinate with language schools, clients, and colleagues, ensuring seamless learning experiences and fostering positive working relationships.
